

## PMI Website – Precept Leaders Overview Page

Looking for a place to be used by God to advance His Kingdom? Our Precept leaders are a vital part of Precept Ministries' mission and vision for the world. Our leaders are used by God to establish people in His Word by leading the Precept Bible studies, and some of the leaders also host our Precept training workshops. Would you like to be a part of what God is doing through Precept?

So what does it take to become a Precept leader? It's easier than you think! Precept offers leader training workshops which help develop one's ability to lead the *Precept Upon Precept* Bible courses. These workshops also equip you to lead our other Bible study material, such as the "Lord" Series and New Inductive Study Series, in an effective way.
