Needed: Gifted Bible Study Leaders!

Paul boldly charges his protégé Timothy

“Do not neglect the spiritual gift within you...take pains with these things...be absorbed in them...” (1 Timothy 4:14–15)

There is no doubt that knowing God’s Word is very important to the work of the church! Read through the letters Paul wrote to Timothy and note the instructions fixed upon the Word of God and you will grasp how crucial those who pass on the scriptures are to Christ's church.

At Precept Ministries International we seek to serve the church faithfully by helping to recruit, train and resource men, women and students to whom the Holy Spirit has given speaking gifts to lead Bible studies. Our passion is for you, Bible study leader, to use your gifts effectively in the ministry of the local church. May the tools of this catalog help you in your calling.

May the Lord use you mightily in His growing Kingdom!
Don’t neglect the spiritual gift within you!

Making Disciples Intentionally

Precept Ministries was founded in 1970 with the mission to establish people in God’s Word. That means people who are exemplary followers of Jesus Christ, who view the world Biblically, make disciples intentionally and serve the church faithfully. How do we do that? By teaching people to study the Bible inductively, and ideally, discuss in small groups, where our grasp on truth is solidified, iron sharpening iron and where we articulate application to live out.

And what do we need to have dynamic discussions among Bible students? Great Bible Study Leaders with a passion for the Word and a heart to make disciples, who have speaking gifts and want to be trained to be excellent discussion leaders, who ask questions so students can verbalize what they’ve learned, reason the Word, and understand how to walk in it.

This catalog has hundreds of inductive Bible studies in different series for different situations, different audiences, with differing levels of workload to fulfill your ministry.
How do you describe Inductive Bible Study?

Simply, Inductive Bible Study is using the Bible as your primary source. You will discover truth for yourself by using these three skills:

1. **Observation** | What does the text say?
2. **Interpretation** | What does the text mean?
3. **Application** | How does the text apply to my life?

Each Precept Inductive Bible Study teaches and leads you through these skills.
