#### Part V | Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

#### Part I, Line 2:

Each of the Ministry's grant recipients submit grant funding requests through the Ministry's annual funding request process, which includes submission of the annual budget of the grant recipient. The funding request process determines the amount of grant funding the Ministry provides each grant recipient. Funds are granted on a monthly and quarterly basis. The Ministry exclusively grants funds to support activities that further the Ministry's exempt purposes. Specifically, the grant funds are used by grantees to facilitate Bible study leader training, translation of Bible study materials, as well as conferences and events. Receipts supporting non-compensation-related expenditures are required to be submitted to the Ministry's international headquarters. Additionally, for organizational grantees, quarterly and annual financial statements are required to be submitted to the Ministry. All new grant recipients receiving funding are vetted through the Office of Foreign Asset Control (OFAC) of the United States Treasury service. All grant recipients are reviewed and renewed on an annual basis. Ministry conducts various trips to visit grant recipients throughout the year to assist with development of grantee organization operations, observe ministry activity, and to oversee the use of grant funds.

#### Part I, line 3:

The expenditures reported in Part I, Line 3, column (f) are reported using the accrual method of accounting.
